Celynd Scaglione
Clinical Liason
Blood Diagnostics, Inc.
110 Centrum Drive
Irmo, SC 29063

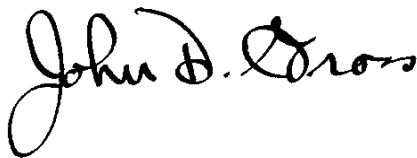

Dear Ms. Scaglione:

Thank you for your request of an MSDS regarding AlphaNine® SD, Alphanate®, Profilnine®SD, Albutein® 5%, Albutein® 25%, Flebogamma®5% and Albumin 25% Grifols. Please note that OSHA's hazard communication standard does not require Material Safety Data Sheets for our products, since they are "non-hazardous substances".

We would appreciate this information being disseminated within your company to those people who purchase products from Grifols.

If you need additional information or have questions about the safety of our products, please call me at (800) 292-6118.

Sincerely,

John D. Gross, R.N., M.S.
Director, Medical Professional Services
