Re: **Material Safety Data Sheet (MSDS) Request -  
Flebogamma® 5% and Grifols' Albumin 25%**

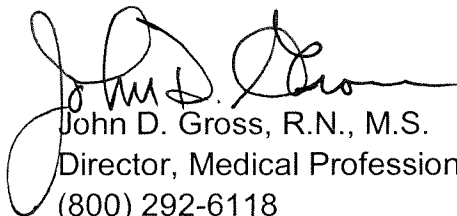

Thank you for your request for information about Grifols products. Please note that OSHA's hazard communication standard does not require Material Safety Data Sheets for our products, since they are "non-hazardous substances".

We would appreciate this information being disseminated within your company to those people who purchase products from Grifols.

If you need additional information or have questions about the safety of our products, please call me at (800) 292-6118.

Thank you for choosing Grifols to fill your needs.

Sincerely,

John D. Gross, R.N., M.S.  
Director, Medical Professional Services
